3 PEAKS

Our valued volunteers enable us to provide the highest level of care possible

We are always on the lookout for enthusiastic and compassionate people to join our team

As a volunteer you will provide assistance for seniors 65+ and Aboriginal and Torres Strait Islanders 55+. You will also help people without access to transport and support from carers.

Some of the ways you will help:

Support structured activities within the community hall

Prepare morning tea and lunch

Spend time with residents for social interaction

Transport residents to (non-urgent medical) appointments, social groups and shopping trips

Take clients out and about to provide a break for carers

Join our volunteer team today:

- Meet new people and make new friends
- Raise awareness and support community spirit
- Use your skills in a positive way
- Explore different career and job opportunities
- Develop new skills and get relevant training
- Receive ongoing support and invites to regular events

You will help ensure our residents and clients live with dignity, respect and choice, in a safe environment.
